EDMONTON REPORT

By Donald F. Smith
Special Correspondent

EDMONTON—Alberta is on the threshold of the tricky business of literary censorship—although no one knows yet how far it is to be carried.

As the result of a meeting last week at the legislative buildings, it appears very likely that a "citizens' committee" will be formed within the next few months, charged with the task of keeping the newsstands clear of crime and horror comics. In time, it is possible the scope of the committee will be wider and may include magazines and paper-back books.

The meeting had been called by Hon. Lucien Maynard, attorney-general, who invited representatives of home and school organizations, church groups, women's and library associations and police officials.

After hearing similar suggestions from some of the delegates, Mr. Maynard told the conference the government has been giving thought to the establishment of a committee which would read the comics and advise distributors on which types they should stop handling. Should a distributor ignore the committee's suggestion, the attorney-general said, the committee could recommend the attorney-general's department take action under Section 207 of the Criminal Code of Canada, which pertains to the distribution of crime comics and other offensive types of literature.

Mr. Maynard expressed confidence that the distributors would co-operate with such a committee and, indeed, one of the province's largest distributors pledged support of such a program.

The indication that the committee's function might extend beyond the perusal of comics was given by Mr. Maynard when he was asked if the committee would deal only with comics.

He said: "We would like to see it go as far as possible."

The actual establishment of the committee, methods of selecting members and mode of operation will be matters for discussion at a further meeting to be held next month.

Delegates to the meeting banded no words about the harmfulness of crime comics, assuming that this was so and concentrating on some method of eliminating them.

Some continued to hope that no form of censorship would be necessary and that the craving for comic books could be eliminated by the substitution of "good books, through increased facilities such as regional libraries."

Premier Manning, who also was present at the meeting along with Highways Minister Gordon E. Taylor and Public Welfare Minister R. D. Jorgenson, took a more realistic view of such substitution plans, saying: "We should not let ourselves be fooled into thinking the problem will be solved that easily."

The matter of censorship was not dwelt upon, most delegates possibly accepting Mr. Maynard's contention that even strict enforcement of the Criminal Code, as it relates to crime comics, requires judgement, which implies a form of censorship.

Mr. Maynard indicated that it was this problem of censorship which was bothering the government and his department in arriving at a suitable method of dealing with literature fit, and a great majority of the public, feels should not be offered for sale.

"How far will people stand for us placing the stamp of approval on certain comics and banning others?" he asked.

In this, then, is probably the basis for the government's support of a citizens' committee. It would not lend the stigma of government censorship to the problem and, if properly constituted, would have the support of most Alberta citizens.

Given the support of the news distributors, there would be little fuss or publicity given to the removal of objectionable comic books. Distributors will welcome such a committee because it will relieve them of the task of trying to decide which comics violate the code and which do not.

Harvest Finally Completed As Weather Stays Warm

One of the latest harvests in recent years is being completed this week as combines finish cleaning up the swathed fields in the northern part of the county. Elsewhere in this area, combining was pretty well completed over the weekend, with farmers' heaving sighs of relief as the last truckload of grain was put under cover or piled on the ground.

The lateness of the season, with rain, frost and short days all combining to make harvesting a difficult operation, brought remembrances of 1951, when most of the crop stayed in the swath all winter under the snow. Ironically enough, much of the harvesting was done in cold, windy weather, while the past few days have been typical Indian Summer weather with temperatures up to 70.

There are a few piles of grain on the ground throughout the district, but most of the wheat has been binned or is stored in machine sheds, barns, etc. The anticipated two bushels per cultivated acre quota has not yet been authorized at any district points, according to reports.

The weather on Wednesday of this week remained clear and warm, with a forecast high of 60.

Mrs. Alice Clark Dies Suddenly

Mrs. Alice Clark, a resident of Vulcan from 1905 to 1948, died in a Calgary hospital Tuesday of this week following a very brief illness. She was 62 years of age. Funeral services will be held from the Vulcan United Church on Thursday afternoon, Oct. 21.

C.W.L. Holds Regular Meeting

On October 14 members of St. Andrew's "C.W.L." met in the parish hall with Mrs. Helen Culyer and Mrs. Isabel Katona acting as joint hostesses. Mrs. Cecile Emelson presided.

An interesting and educational 30 minutes was spent in studying the mass.

The chief business dealt with was the planning of a bazaar and tea to be held in the Legion Hall on November 20th. All members are requested to bring bazaar articles to the November meeting.

It was also decided at the request of Fr. Connelly, to purchase subscriptions to several children's magazines which will aid in catechetical instruction.

Mrs. Mary Haverly was winner of the Keepsake draw.

A delicious lunch was served by the hostesses.

Wins High River Scholarship

Carol Jean Thorp

Of Ensign was the winner of a \$100.00 Memorial Scholarship sponsored by the High River Home and School association for having attained the Matriculation credits in grade XII on first writing on each subject. She is now attending the University at Edmonton, taking a course as a laboratory technician.

Jean was born in Ensign on November 16th, 1936, and took her high school grades in High River.

Grain Escapes Stubble Fire

Fire of unknown origin, which swept over part of the George Gooch and Andy Knive farms north of Vulcan on Tuesday, burned around one pile of grain in a field and came within 50 feet of a granary containing 2500 bushels of wheat before it was brought under control.

The fire had travelled the better part of a mile in grass and stubble before it could be extinguished by neighbors who rushed to the scene.

To Form A.O.T.S. Group Here

At a recent early morning breakfast meeting, men of the United Church decided to organize an A.O.T.S. group within the Church. The charter night is to take place Wednesday, Oct. 27, at 6 p.m. when men from the Lethbridge Taber fraternal organizations will be present to form the local group.

The charter night will be in the form of a supper meeting, served by the Couples Club of the United Church.

All men of the community interested will be welcomed at the meeting.

Upland Bird Season Open

The upland game season in Alberta opened last Monday, Oct. 18 and pheasants, normally a fairly common sight on district roads, did their annual disappearing act. Some fair bags of both pheasant and partridge were reported by local hunters, but few got their daily limit.

The season on Hungarian Partridge, Prairie Chicken, Spruce Partridge and Ring-necked Pheasants lasts until Nov. 20, with a daily bag limit of five each. There is no season or possession limit. It is strictly forbidden to hunt pheasants before 10 o'clock in the morning, to shoot hen pheasants or to hunt on Sundays. Heavy penalties will be levied on hunters breaking these regulations.

The season on ducks and geese remains open until Dec. 4. Geese are in the district in greater-than usual numbers and some good bags are reported of both white (Wavy) and grey (Canada) geese. Ducks are plentiful.

Reid Hill W.I. Makes Donations

Mrs. Carson McKay was hostess to the October meeting of the Reid Hill W.I., Thursday 14, when a fair attendance answered Roll Call with "One Step I can Take Towards World Peace."

Correspondence was dealt with and a donation of \$10 was made to a Korean Relief Fund. A parcel of school supplies had also been bought and was to be sent to Korean school children. Twenty-five cents per member was voted to the A.C.W.W. Fund.

Mrs. L. Weatherburn gave an interesting report on the Constitution Conference, which was held at Barons in June.

The W.I. Brochure was read by Mrs. Carson and was much enjoyed. It was decided that the branch would assist with the Red Cross Blood Donors' which will be held in Vulcan, November 10.

Birthday gifts were presented to Mrs. Jack Marshall, Mrs. Ross Walker, Mrs. Earl Deal and Mrs. A. McKay, for which the recipients very graciously thanked the branch.

A delicious lunch was served by the hostess and the tea draw was won by Mrs. Ernie Bowie. The next meeting will be held at the home of Mrs. Frieda McRoberts.

Reserve Airmen Participate

Highlanders Hold Overnight Scheme in Champion Area

About 80 officers and men of The Calgary Highlanders participated in an overnight scheme in the coulee area east of Champion last Saturday night.

The troops were under command of Lt.-Col. Mark Tennant, commanding officer of the unit, and were drawn from the Highlander companies and sub-units at Calgary, Staveland, Vulcan, Champion, and Carmangay. About 20 Calgary Highlander cadets from the city also participated.

Following a hot meal, served at the Champion hall by the ladies of the Canadian Legion members at Champion, the unit proceeded to the area about four miles east of Champion. For the night part of the scheme the troops were commanded by Lt.-Col. Tennant and reconnaissance patrols and a fighting patrol probed down the valley to make contact with the "enemy", who had crossed the Little Bow River and were advancing up the valley. Parachute flares were fired from 2-inch mortars by the "enemy" to disclose any movement in the valley and blank ammunition was used by both sides as the patrols made contact and withdrew.

The night training ended at midnight, when lunch was served and blankets and sleeping bags distributed.

The scheme was resumed Sunday morning when the troops, under command of Major Bob Munro of Vulcan, launched successive attacks against three enemy-held positions. A mortar platoon commanded by Lt. George Willis of Staveland gave support to the attacking troops, laying down heavy smoke screens to cover their move-

Carmangay Girl Wins Scholarships

ROSEMARIE McMILLAN

The daughter of Mr. and Mrs. Alex McMillan of Carmangay, Miss Rosemarie McMillan, a fourth year honors student in mathematics at the University of Alberta, is the first coed chosen to win an international "Tri Psi" scholarship, given by Psi Psi Psi, the mothers' organization of Delta Delta Delta fraternity. Miss McMillan is a member of Canada Gamma chapter of Delta Delta Delta international women's fraternity.

Rosemarie was born in Carmangay and received all her public education in Carmangay schools. During her attendance at University she has managed to participate many campus activities as well as maintaining her high scholastic record. She is on the Students' Union house committee, an executive member of the Mathematics and Physics Club, on the advertising committee of the group organizing the university guest weekend and is also an executive member of her fraternity. Proud as her family are of the honor accorded her in being awarded the Tri Psi scholarship, they are probably more so of the fact that she also won the Mary Cameron Douglas Scholarship. This scholarship, which carries with it a grant of \$300.00, was received by Miss McMillan on the recommendation of her professors for highest marks in Science.

Carmangay is very proud of its brilliant daughter.

Total of 1,644 Pupils

Heavy Enrollment At County of Vulcan Schools

Enrollment in County of Vulcan schools reached a new high this term, with official figures compiled this week showing a total of 1,644 children attending schools within the county.

Of this total, about one-quarter are attending the two Vulcan schools, with 220 children in the elementary school and 224 students in the junior-senior high school. Highest enrollments are in the five lowest grades, with the figures for Vulcan elementary grades showing 49 pupils in Grade 1 this term, 51 in Grade 2, 50 in Grade 3, 46 in Grade 4, 47 in Grade 5, and 33 in Grade 6. At the Vulcan high school there are 39 pupils in Grade 7, 30 in Grade 8, 26 in Grade 9, 34 in Grade 10, 24 in Grade 11 and 15 in Grade 12.

Other points in the county show the following enrollments this year:

Armada 44, Arrowwood 120, Brant 108, Carmangay 175, Champion 246, Herronton 40, Lomond 90, Mossleigh 125, Milo 209, New Dale 20, Reid Hill 23.

Totals for each grade show 190 Grade 1 pupils in the County schools, 199 in Grade 2, 144 in Grade 3, 175 in Grade 4, 163 in Grade 5, 154 in Grade 6, 142 in Grade 7, 120 in Grade 8, 117 in Grade 9, 108 in Grade 10, 79 in Grade 11 and 53 in Grade 12.

"Oil Harvest" Is Subject W.I. Talk

Mrs. C. L. Dennison entertained the members of Good Deeds W.I. for the October meeting.

After the business session, each Convener of Standing Committees gave her talk, touching briefly on Health, United Nations, Handicrafts, Agriculture and Education.

Mrs. C. Brown gave an informative paper entitled "Oil Harvest," covering the history of the oil industry in Alberta, and giving a comprehensive survey of the methods used now for exploration and production.

"Women in the News," the Roll Call brought out many interesting activities of women throughout the world, and showed to what outstanding positions some women have risen.

Mrs. R. S. Irwin won the surprise draw.

Lunch was served by the hostess, assisted by Mrs. Dale Campbell.

Pork Quality Important

Only a small percentage of farmers in this portion of Southern Alberta are presently interested in raising swine, however during the past year interest shown has increased considerably due to circumstances well known and understood by all. The quality of cattle marketed from this area is generally good. It is not possible to say the same for hogs. The quality of hogs over the Province has declined until now we are barely marketing 20% A grade. There has been altogether too many C grade overfed hogs going to market. This is a most undesirable situation especially when we consider present market requirements, the current supply and price of lard, and returns to the producer.

Packers and Wholesalers have a surplus of lard on hand and find the demand is not adequate to take care of the supply. As a result prices are low. Packers are presently receiving about 11 cents a pound. Recently I had the opportunity of observing the trimming necessary when some of these C grade hogs are processed. It was necessary to remove a total of 50 pounds excess fat in order to bring the various cuts up to the standard expected, and now demanded by the consumer.

Many producers are of the opinion that it costs less to put this excess fat on a hog, and their margin of profit is increased even though the price per pound which they receive is less. This idea has been proven wrong by many very carefully controlled tests at both the University of Alberta and at the Lacombe Experimental Station. The most reliable figures available from these institutions show

"Romeo & Juliet" Here Oct. 27

Remember Romeo whose equal you were at one time? Here's your chance to see which of you have slipped during the past few years. The Vulcan High School Student's Union is sponsoring a stage performance of Shakespeare's romance, "Romeo and Juliet." It is being staged by the Lancaster Theatre Company of British Columbia. Last year this company staged Shakespeare's tragedy "Macbeth". At that time they put on a matinee performance for the high school students in the county schools. This year, however, they are staging a matinee performance again as they did last year, but the Students' Union is also sponsoring an evening performance which will be open to the general public. This is the first effort along this line by the students and public support is needed if it is to prove successful. This is being performed in the High School Auditorium in the Vulcan School at 8 p.m. on Wednesday, Oct. 27. Check the advertisement elsewhere in the paper for further details.

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

In an area such as this that has been primarily concerned with the growing of cereal grains for many years, not a great deal of thought has been given to the growing of grasses for the production of seed, but mostly for pasture and hay. Quite recently the plant Products Division at Ottawa published the preliminary estimates for the 1954 crop of grass seeds in Canada, and it is interesting to note that this crop of Bromes is estimated at 7,490,000 lbs. or 34% smaller than in 1953. Most of this is produced in Alberta and Saskatchewan, smaller amounts in British Columbia and Manitoba. Timothy seed is 17,000,000 lbs of clean seed, and is 14% more than the 1953 production. Ontario and Quebec account for 16,000,000 lbs of this. In the United States they have placed their preliminary estimates of this seed at 12% less than 1953 and the third smallest crop on record. If the estimated crop of Crested wheat is realized will be 2,345,000 lbs or more than double the amount of 1953.

Creeping Red Fescue is not expected to show much change from 1953, the total crop estimated at 6,220,000 lbs. It is interesting to note that all production of this seed is in Alberta and the Peace River district of British Columbia.

In some places yields the as high as 400 lbs and in others as low as 100 lbs. or less to the acre. Meadow Fescue forecasts indicate a record crop for 1954. For the first time production of this seed in commercial quantities is reported from Alberta.

Kentucky Blue, all of which is produced in Manitoba, is one of the largest crops ever produced, 1,500,000 lbs.

That the net profit is \$140 more when a hog is marketed at 200 pounds live weight rather than 230 pounds.

To increase the percentage of grade A and B hogs the following suggestions may be helpful:

1. Market hogs at 190 to 200 pounds. This can fairly closely determined with a tape measure. Hogs that measure 40 to 42 inches around the heartgirth (depending on length) will weigh close to 200 pounds.

2. A ration of wheat, oats and barley plus protein supplement has been found to give good results. The following mixture is recommended 5% barley, 30% oats, 2% wheat, plus 15% protein supplement for pigs weighing up to 100 pounds. From 100 pounds to market weight cut the protein supplement to 8%.

3. Use only purebred sires of bacon type, length and quality. Never use a cross-bred boar.

Crow's Nest Rates

The Crow's Nest Pass agreement entered into in 1897 between the Canadian Pacific Railway and the Canadian government provides low freight rates on export grain and grain products from the prairie provinces of western Canada. In consideration for maintaining the rates in perpetuity the railway got \$3,404,702 in cash from the Canadian government in addition to a land grant from British Columbia of 3,627 acres of land including mineral rights. The company was also able to acquire the charter of the British Columbia Southern railway with all its subsidiary rights, for a nominal sum. The railways are now anxious to have the agreement thrown into disarray. They claim that rates prevailing 57 years ago are unrealistic at the present time. The rate on wheat from Calgary to Fort William, 1,267 miles, is 26 cents a hundred and from Calgary to Vancouver, 642 railway miles, it is 20 cents a hundred. The railways say this is unprofitable. On the other hand the Winnipeg Free Press points out that over a period of 29 years since 1907 the export grain traffic amounted to over 30 per cent of total prairie traffic. The net earnings of the C.P.R. on western lines was \$753,334,134 against \$361,615,198 on eastern lines. The Crow's Nest rates apply only on export grain products. Domestic rates are substantially higher and were recently raised. Prairie farmers operating from the heart of the continent need every assistance possible in the way of low freight rates to maintain competitive parity with other wheat exporting nations. On the other hand, railways' expenses have increased at a rapid rate. They complain that while freight rates have gone up 98.2 per cent since the beginning of 1948 costs have risen even greater. They say the latest demands by employees, if granted, would mean an increase in cost of \$60 million a year.

MAJORVILLE

The sympathy of the community is extended to the families of the late Mrs. Jane Godkin, who passed away in a Vancouver hospital. Mrs. Godkin suffered a broken hip when she fell on the sidewalk about two months ago and had been in hospital since that time until her death. She was one of the earliest settlers of this district coming here in the homestead days with her husband and was a resident until retiring to Vancouver some years ago. Mr. Godkin predeceased his wife a few years ago. She is survived by six sons several grandchildren and great grandchildren.

Friends will be glad to know that Les Greaves who was a patient in the Holy Cross hospital in Calgary is now home again.

Mr. and Mrs. Allen Yule of Edmonton are guests this week at the home of the latter's brother and sister-in-law, Mr. and Mrs. Bartsch.

Harvesting is almost completed for another year and most of the farmers around here feel they have been lucky, very little damage was reported this year and although ducks damaged a lot in the east of Majorville on the whole it has been a good year.

History of Milo-Queenstown Lutheran Ladies Aid

U.S.A. Mr. Yeager has been a guest at Fred's in past years.

What happened this year? The round-up of cattle on the community pasture was completed and not a drop of rain fell nor did a snow storm develop.

Mr. and Mrs. C. Clarke and Cliff, of Calgary were dinner guests on Thanksgiving at the home of Mr. and Mrs. M. Clemmons.

Maurie Edwards and his son were over-night guests at the home of Mr. and Mrs. Lewis Greaves recently. Laurie was down from Turner Valley on a hunting trip.

Mrs. Hap Heather spent a couple of days in Calgary last week. While in the city she and Terry were guests at the home of her brother and sister-in-law, Mr. and Mrs. Joe Clements.

When Billie Francis went into the barn on his farm over east he found that a bolt of lightning had struck the roof on the inside and splinters from the rafters were scattered all over the top of the wheat stored in the barn.

No sign of fire was noticed so the bolt must have grounded somewhere around the building.

Mr. and Mrs. Art Kisinger and family of Calgary spent the holiday weekend at the home of Mr. and Mrs. M. Clemmons.

The Lutheran Ladies Aid held the October meeting at the home of Mrs. C. Anderson in Milo. Despite the busy season a nice turnout of members and guests was in attendance. Mrs. C. Thomson and Mrs. J. Deitz gave a report of the workers conference they attended in Lomond. The annual bazaar was discussed and Nov. 6 at the afternoon at the L.O.O.F. hall in Milo was decided upon. This effort will feature afternoon tea, sale of home cooking as well as the usual and unusual in hoe sewing and fancy work, etc. The following members were elected for the coming year: Mrs. C. Thompson, pres; Mrs. J. Deitz, vice pres; Mrs. L. Smith, sec; Mrs. Bob Umscheid, treas. Mrs. Prentice who served as secretary for six years declined to stand again. A vote of thanks for her work was tendered.

Mrs. C. Thompson, Mrs. Bob Umscheid and Mrs. Gerding assisted the hostess with a delightful lunch. Mrs. Jack invited the members to her home for the next meeting.

Many homes were one or two roomed buildings and many were papered inside with newspaper, so while attending the meeting, members could also read the news! There were not too many chairs available in some homes and boxes covered with blankets were pressed into service for the comfort of the guests, but no one minded that one bit for all knew that their hostess had been saving her precious sugar in order to be able to have lots of goodies to serve with coffee. At first, the hostess set the table and everyone sat down to eat lunch. When it came to the meeting at Mrs. Morseth's home, her table was not large enough for all, so the custom of passing the lunch around started. (Mrs. Morseth is still an active member of the "Aid"). Mrs. Ole Nelson and Mrs. Austen Johnson always served Lefse.

The sum of \$2.05 was collected at the first meeting.

A list of the hostesses for the first year with dates and collection follow:

May 13, Mrs. J. Assgard, \$2.05; June 10, Mrs. Anna Johnson \$2.30; July 8, Mrs. Margit Johnson \$1.80; Aug. 12, Mrs. Assie Johnson \$1.65; Sept. 9, Mrs. Ragnhild Thopson, \$2.05; Oct. 14, Mrs. J. Morseth \$2.45; Nov. 11, Mrs. P. Soli, \$3.55; Dec. 9, Mrs. Signe Moger, \$2.90.

The total for the year 1915 was \$19.15.

As no minutes are available for the early years, we have no way of knowing what transpired at the meetings, and no money appears to have been paid out for either of the years 1915 and 1916. In the latter year, the total collection amounted to \$23.40.

The first effort to raise funds other than meetings was in November, 1917, when an item of \$75.60 appears, the proceeds of an auction of various articles made by members (now we have our bazaars). The total for that year was \$122.75.

The year of 1918 was the first year to show expenditures and a gift of \$25.00 was made to Pastor Anderson for Christmas. New names appeared on the membership list and funds increased. In 1919, fence posts and cement to the value of \$27.50 were purchased.

The only expenditure for 1920 was \$25.00, a Christmas gift to the Pastor.

In 1921, the sum of \$100.00 was given to the Norsk Skole.

By that time, it is evident that the ladies were not passing up an opportunity to add to the funds. Income was derived from booths at the School Fair and the Farmers' Picnic.

BRANT

A farewell party for Mr. and Mrs. Wells and Yvonne was held Monday evening in the Community Hall. An enjoyable evening was spent playing games and dancing. Mr. and Mrs. Wells were presented with a steam iron and a purse. Mrs. Wells graciously thanked the people for the gifts and everyone retired to the basement where a lovely lunch was served. Mr. and Mrs. Wells are making their new home in Calgary.

The Red Cross annual meeting will be held Wednesday afternoon Nov. 10.

Alex Kelley from California was visiting old friends in Brant.

Mr. and Mrs. McMullen from Calgary were guests over the weekend of Mrs. McMullen's daughter, Mrs. Ed Prater.

Mr. and Mrs. Clarence Rhodes and baby son Richard from Red Deer were home for the long week end.

Mr. and Mrs. John Allen Rhodes and baby son from Vulcan were home for the long weekend.

Mr. and Mrs. Jim Murphy and

son Jack from Kimberly were visiting the former's sister and family, Mrs. Don Schultz.

Mr. and Mrs. George Murphy and two daughters Sharon and Pat from Jasper Park were visiting the former's sister and family Mrs. Don Schultz.

Misses Joy and Doris Finders from Calgary spent Sunday visiting their Aunt, Mr. Mabel Schultz and family.

Ted West from Carmangay was a guest of Bob Sellars over the weekend. They both went shooting ducks.

Miss Shirley Sellars was home from Lethbridge for the weekend bringing her friend A. Yonkmon home with her.

Red Cross Doll measures 20" with this information all members will be able to start sewing the wardrobe for the doll.

FARROW

Little Alvin Ward had the misfortune of fall out of the car last week while it travelling around 40 m.p.h. He received facial cuts and bruises requiring hospital care for a few days. He had seven stitches in one cut and five to another.

Combines from the general vicinity of Farrow-Dinton began pulling into Mrs. Edna Addeman's fields. In all there were 11 combines and 8 trucks with more men doing other jobs such as shovelling grain, tending to gas and grease, etc. Those offering their help were Bill and Ernie Dawson, Charlie and Stewart Meadows, Bob and Alvin McWilliam, Frank and Donnie Thurber, Howard Thurber, Clayton Thurber, Ted Percival's two men Jerry Ward and Bob McLean, Milt Brunskill, Harold Tressider, Gus and Gerald Brownell, Roy-Paul, Ronnie and Chuck Baker and Harold Dale. Mrs. Addeman was ably assisted in the house by Mrs. Emma Thurber, Mrs. Ronnie Baker, Mrs. Alice Thurber and Mrs. I. Raycraft with many of the neighbour ladies sending

pie, etc.

Everyone is hoping the present good weather will continue for another week or two at least. Many of the local farmers are finished and another week of good weather would see just about everyone done or very nearly so.

The October meeting of the Farrow W.A. was held two weeks earlier than usual on Wednesday, Oct. 13. The reason for this being the chicken supper on October 30. Committees were named for serving etc., and final plans were discussed. The members also decided to start Sunday School one half hour later at 7:30 each Sunday afternoon instead of the previous 2:00 starting hour. It adjourned with the singing of a hymn and everyone present repeating the benediction.

Everyone is reminded of the Chicken Supper on Oct. 30 at 5:00 p.m. in the Masonic Hall. Proceeds in aid of the Manse fund.

ADVERTISING IS NEWS, TOO!

People buy this newspaper for news of the world, the country and our community in particular. Our readers are also interested in news about food, clothes, entertainment, automobiles, furniture and all of the necessities and luxuries that have to do with daily living.

Through advertising in this paper you can give our readers the up-to-date news about your merchandise and services. Each one of your advertisements can be a newspaper within a newspaper.

Of course you should know all about the circulation of the newspaper that is carrying the news of your business. How many people buy the paper? Where are they located? How was the circulation obtained? To give you this information and many other facts that you need and have a right to know when you buy advertising space, this newspaper is a member of the Audit Bureau of Circulations.

Established in 1914, the Bureau is a cooperative, nonprofit association of 3,575 advertisers, advertising agencies and publishers. Its purpose is to furnish advertisers with verified reports on the circulation of its publisher members.

At regular intervals one of the Bureau's large staff of experienced auditors makes a thorough inspection and audit of our circulation records, just as the bank examiner makes a check of your bank's records. The information thus obtained is published in official A.B.C. reports. When you buy space in this newspaper our A.B.C. report tells you just what, in circulation values, you get for your advertising investment.

This newspaper is a member of the Audit Bureau of Circulations.

Advertisers are invited to ask for a copy of our latest A.B.C. report.

Important Notice to Holders of Government of Canada 3% Victory Bonds

Holders of Canada 3% Victory Bonds can get more income by selling them at the current premium and reinvesting the proceeds in 3 1/4% Canada Savings Bonds, Series Nine.

The investor receives an increase in income of \$2.50 per \$1,000 per year. And the proceeds from the sale of Canada 3% Victory Bonds not only cover the cost of the same amount of 3 1/4% Canada Savings Bonds, but also leave cash in the investor's hands.

Canada Savings Bonds, Series Nine are always worth 100 cents on the dollar. They can easily be converted to cash at any time at their full face value plus accrued interest.

Canada Savings Bonds, Series Nine are available in denominations of \$50, \$100, \$500, \$1,000 and \$5,000. Each individual may purchase up to \$5,000 principal amount.

We strongly recommend the purchase of 3 1/4% Canada Savings Bonds, Series Nine, either for cash or in exchange for Government of Canada 3% Victory Bonds.

Carmanagay

Miss Bonna Anderson of Blackie was a weekend guest of her grandparents Mr. and Mrs. D. Russell.

Mr. and Mrs. Albert Lipka and family of St. Kilda were Sunday visitors of Mrs. Lipka's brother and sister-in-law, Mr. and Mrs. Orville Blue.

Mr. and Mrs. Geo. Hodges of Lethbridge were visiting Mr. and Mrs. W. F. Ewing on Sunday.

Wesley Knight is in Calgary this week attending the Sheep Sale. He is also showing a number of animals.

Mr. and Mrs. Overland and family, of Calgary were visiting the latter's brother-in-law and sister, Mr. and Mrs. Wesley Knight, over the weekend.

We are sorry to report that the Rev. P. Steeves has been called to Swallow, owing to the illness of his father. He expects to be away two weeks or more and the Rev. Ben Friesen of Champion of Champion will take the evening service on Oct. 24.

The Rev. Mr. Phipps of Calgary will be the exchange minister, occupying the pulpit of Emmanuel Church for Communion Service on Sunday morning, Oct. 24th.

Mrs. Mona Boner is spending sometime with her son and daughter-in-law, Mr. and Mrs. M. Boner.

Mr. and Mrs. Gus Green and family of Calgary were visiting Mrs. Green's mother, Mrs. Alma Lund, over the weekend.

Mr. and Mrs. Henry Ruminson and family of San Francisco, who have been visiting Mrs. Ruminson's mother, Mrs. Alma Lund, for the past ten days have returned to their home. Mrs. Lund accompanied them on their return journey and will spend the winter in California.

Carmanagay is very proud of the fact that their Section Foreman, John West, was awarded first prize in Southern Alberta for their lawn and garden in the annual C.P.R. awards. A picture of this was published in the Lethbridge Herald recently. The section house was moved from its former position just over two years ago and this beautiful lawn has been developed from prairie in that time.

Friends of Allan Teskey, son of Mr. and Mrs. Ray Teskey, who resides in Toronto will please that Mrs. Teskey was a winner of \$1000.00 in a Dominion Stores contest held at the recent Can. National Exhibition. It means that the trip to the West which they were hoping to make next

summer will now be a certainty.

Auxiliary Meeting

Mrs. W. Nielson, Mrs. W. McIntyre, Mrs. L. Baldwin and Mrs. G. Miller attended the Annual Auxiliary meeting of the Women's Auxiliary of the Anglican Church, which was held in Okotoks on Wednesday, Oct. 13th.

The meeting opened with Holy Communion at 10:30, at which the Lord Bishop of Calgary, the Rev. G. R. Calvert, presided, after which the Okotoks branch of the W.A. served a most delicious lunch. At 1:30, Mrs. Gaunt, wife of the Rev. Mr. Gaunt of Okotoks and President of the deanery W.A., opened the Conference which was welcomed by Mrs. Harth. Mrs. Reuss of Vulcan replied saying how happy everyone was to be there. The roll call showed a good attendance (in the vicinity of 75). Reports of the Dominion Conference was given by Mrs. Thompson, Mrs. King and Mrs. Munn, and other members of the Diocesan Board spoke briefly.

The main speaker for the afternoon was Mrs. G. R. Calvert, wife of the Bishop, who gave some of the highlights of the recent world conference of the Anglican Churches held in Minneapolis. Mrs. Vaughan-Birch of High River was elected President for the coming year and the meetings will be held semi-annually. The next one to be in April. The Black Diamond served afternoon tea to the 'Convention and every one felt that a most profitable and informative day had been spent.

Bill Bach spent the Thanksgiving holiday with his parents, Mr. and Mrs. Len Bach and has returned to the University of Edmonton. Miss Rosemarie Macmillan was another Thanksgiving visitor, being the guest of her parents, Mr. and Mrs. Alec. McMillan.

Miss Doreen Whittle of Calgary spent the weekend with her parents, Mr. and Mrs. Harry Whittle.

The various clubs have resumed their activities for the coming season. The Home and School Assn. met on Thursday night with a very good attendance. The new President, Mrs. Alice Knight, was in the chair and the meeting was very interesting. Plans for the tea were finalized and this will be held in the School Auditorium on Saturday, Oct. 23rd from 2:30 to 4:30, and Mrs. Edey will be showing her paintings. There is no admission fee but a silver collection will be taken. The Programme Committee presented an outline of the proposed activities and this seems to promise an interesting year. A buzz session was held and the meeting ended with a humorous skit "Blackouts" given by Dr. Szeckley, Mr. Granger and Mrs. Szeckley, Mr. Granger and Mrs. Szeckley.

Mrs. Bill Moore entertained the October meeting of the Social Credit Auxiliary at which nine members and four visitors were present. After the opening exercises "Happy Birthday" was sung to Mrs. Wilkinson on her 74th anniversary. The coming sale was set for 3:00 p.m., Dec. 4th, in the Town Office. It was decided to send no delegate to the Prov. Convention this year, but to send \$10.00 to the On to Ottawa fund. The Nov. meeting will be held at the home of Mrs. Chas. Burns and the roll call will be "A Christmas Recipe" Mrs. Emma Smith will entertain musically.

A lovely and well attended shower was held in the United Church Hall, honoring Miss Dorothy Hubka, youngest daughter of Mr. and Mrs. John Hubka, whose marriage to Stephen Ganger takes place in Lethbridge this week.

The guest table was nicely decorated with blue and white streamers and assisting Dorothy in opening her many gifts were her mother, Mrs. John Hubka, her two sisters, Mrs. Lloyd Green and Mrs. Harold Cutforth, the groom's mother, Mrs. M. Ganger of Lethbridge and his sister-in-law, also of Lethbridge. Mrs. Fay Smith played the wedding march, as the honor guest entered and also played appropriate music for a hilarious Fashion Show put on by the High School girls in which the up-to-date fashions for men were depicted, these included a farmer, fisherman, hunter, curler, professor shoemaker and groom, modeled by Joan White, Marjorie Moore, Jean Hauser, Yvonne Fraser, Shirley Service, Barbara McFarland, Myra Smith and Barbara Rowe, with an amusing commentary given by Mrs. Len Bach. A couple of contests were held and Donna Hubka, daughter of Mr. and Mrs. Rudy Hubka entertained with a couple of piano selections. The hostesses served a tasty lunch. The bride received many lovely and useful gifts.

Word has been received of the death of Mr. T. Hovde which occurred over the weekend in a Calgary hospital after a lingering illness. He is a brother of Mr. Tom Hovde and further particulars will be given next week.

EDUCATION FOR THE HANDICAPPED IN ALBERTA

What is the Alberta Department of Education doing for children who are handicapped? For more than 30 years the Department has provided for the education of blind and deaf children in special schools in provinces. Most attend the Ontario School for the Blind at Brantford, or the Saskatchewan School for the Deaf at Saskatoon; others go to the British Columbia School for the Deaf and Blind at Vancouver, the Blind at Montreal, the Mackay School for the Deaf at Montreal, and the Institutes for Deaf Girls and Boys in the same city.

These children go with the consent of their parents. The Department of Education pays their transportation, tuition and living costs while they are away from home. Competent and kindly escorts take them to and from school in private railway cars. More than 20 blind children and more than 100 deaf children are now provided for in this way. In happy environments and trained by sympathetic teachers they learn the things other children learn. Each one, as well, learns a trade. Nearly all Alberta children who have graduated from these schools are now successfully employed here in Alberta. Many have done well in baking, glazing, hairdressing, piano tuning, and barbering; others are employed in machine shops and offices, and even in executive positions.

A new residential school for the deaf, the most up-to-date and efficient of its kind, is under construction in Edmonton.

Other Alberta children whose eyesight or hearing is impaired attend special classes at Calgary and Edmonton. In sight-saving classes the children's eyes are protected by non-glare lighting and special equipment, such as tape recorders, and an emphasis on oral work. In hearing-conservation classes, special group and individual hearing aids and other acoustic equipment are used. Many children in these classes become so well adjusted that they are able to return to regular classes for their high school work.

Fifteen special classes in the four largest cities provide for children of low mental ability. Here the pupils receive individual training, and skills in reading, writing, arithmetic and spelling are taught with each child proceeding at his own rate. Crafts, such as simple woodworking, weaving, and sewing are taught, and older pupils receive training in home economics or shop work. School boards are encouraged by special grants from the Department of Education to provide opportunity classrooms and specially gifted teachers for children of these groups. Other special grants, up to \$1,650 per classroom, are available to assist school boards who wish to provide instruction for children who are so far retarded mentally that they cannot profit from the work even of the opportunity classes.

The Department of Education also provides grants for speech therapy and therapeutic physical training, as well as day-school services for children who attend the Cerebral Palsy Clinics in Calgary and Edmonton. Children, confined for long periods in hospitals, are provided with free lessons from the Correspondence School Branch of the department. Others are taught by part time or full-time teachers; and in several hospitals there are specially equipped classrooms, tastefully decorated, with desks for those who can use them, but with plenty of floor space to take care of children who have to be brought in on wheel chairs or beds. The Department of Education, working in co-operation with sponsoring organizations, or with the Department of Public Health, provide special grants towards the maintenance of these classes.

LOMOND

The Lomond Home and School Association held their regular monthly meeting at the school on Wednesday evening Oct. 13 with the President Mrs. H. Carfield in the chair. There was very good attendance with 38 members being present. After a short business meeting, Mrs. R. Frost, program convener, conducted a very interesting program. There were two discussions, one led by Mrs. Len Huff on "Fear in Child Training" the other by Mrs. Onez Liebrich on "Obedience in Child Training". Both were well presented and actively discussed. There followed an amusing October contest, where five ghosts of famous people, gave clues leading to their names. A very nice lunch was served by the Social Committee under the convener'ship of Mrs. J. Henrickson.

Mr. and Mrs. E. M. Benson of Calgary spent a few days visiting friends and relatives in this district.

Arthur Marguet of Cranbrook, B.C., spent several days last week renewing old acquaintances in Lomond.

Mrs. Tillie Moen and grandson Bobby of Calgary have returned home after spending a month visiting at the home of Mrs. Moen's brother, Mrs. Harry Hammer.

IS YOUR HOUSE READY FOR WINTER?

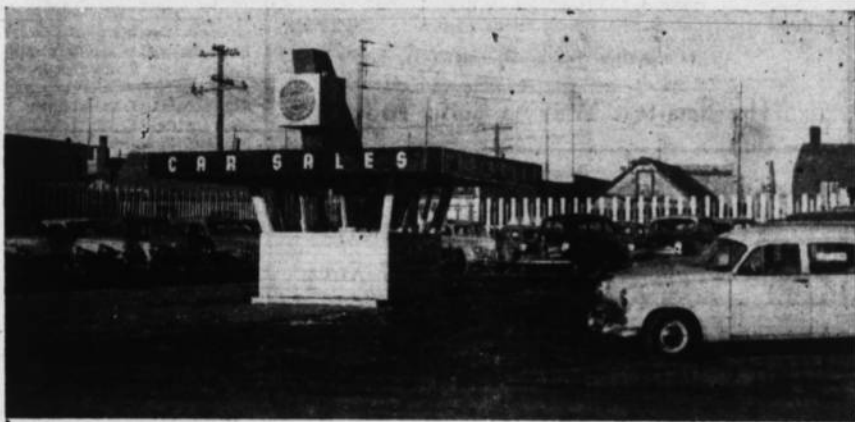

You wouldn't think of wearing your light summer clothes all winter, would you? In fact, you've probably got the family's overcoats and snow shoes out already. Your home deserves the same consideration, too. It won't keep out the snow and cold and icy blasts of winter unless it's properly protected. Now is the time to check your storm windows and combination doors for broken panes, loose hinges and locks and peeling

paint. And now is the time to see your Beaver Lumber dealer. He'll outfit you with all the materials you need to repair those broken window panes—glass, putty, glazier points, storm sash hangers and storm sash adjusters. For combination doors Beaver Lumber has a full line of locks, hinges and weatherstripping. Before putting up your storm doors and windows, brighten them with a new coat of paint. Choose from the complete stock of Beaver Lumber.

The Lael Chapter of the Imperial Order Daughters of the Empire held its October meeting at the home of Mrs. Raymond Fath, with 15 members present. All articles for Korean, British and European relief were turned in. It was decided to send another bundle next month. The members will meet at the home of Mrs. G. T. Dow, to make another quilt for Korea. Mrs. Frank Little read a report on "How Alberta was Named." Mrs. G. Dow won the afternoon raffle. At the close of the meeting luncheon was served by Mrs. Little and Mrs. George Hummel.

Champion United Church was the setting for a very pretty autumn wedding on Saturday afternoon, October 16th, when Emilie Therese Hupp, daughter of Mrs. Gustav Hupp and the late Mr. Hupp exchanged marriage vows with Hemut Crispens of Canmore. Rev. Peter Dawson performed the ceremony. The bride was given in marriage by her step-father, Gustav Hupp. She wore a floor length gown, fashioned of ivory satin and featuring long lily point sleeves. The bodice of the gown was topped with a net yoke which was accented with pearl applique. The beautiful lace veil was of finger tip length, and she carried a shower bouquet of red roses and lacinon ribbon. Miss Freda Hupp, sister of the bride and Mrs. Ingrid Schmidt were the bride's attendants. Miss Hupp wore an ankle length gown of blue net and carried Sweetheart roses. Miss Schmidt's gown was of Yellow net and her flowers were Talisman roses. The groom was attended by Donald Schmidt and Alfred Hartung. Mrs. Henry Hartung played the wedding music. The church was beautifully decorated in yellow and mauve mums. At the reception covers were laid for forty guests. Combining the customs of the old land and the new, tarts were on each of the tables, in place of the wedding cake, which is our custom. Among the out of town guests was Miss Katie Achernan, a very dear friend of the bride, who made a very hurried trip from Taber for the occasion. Mr. and Mrs. Crispens will make their home in Canmore, Alberta.

Mr. and Mrs. Archie Ruggles left on Monday to visit with various members of their family at Fonoka, Donald, Three Hills and Trochu.

Who's brightening your future these 4 ways?

1 Some people are helping to bring your community a new shopping centre, highway, school, power plant or other useful projects. Who are they? Life insurance policyholders! Money from the premiums they pay is invested for them in ways that help finance improvements like these.

2 A longer, healthier life may be yours, thanks in part to life insurance policyholders. Life insurance companies contribute funds to medical research studies designed to free Canadians from the threat of many dread diseases.

3 Everybody shares in the prosperity which expanding industries bring to a community. Some industry in your community may have built a new plant and employed more workers because life insurance companies invested money in it on behalf of their policyholders.

4 Some day—perhaps soon—you may want a new home. If so, you may find yourself living happily in one of the thousands of new houses which have been built from coast to coast with the aid of money invested for policyholders by life insurance companies.

So, if you are a life insurance policyholder, remember—while you're providing security for your family and yourself, you're also helping to make Canada a better land to live in!

P.S. From your life insurance man

"Invested life insurance dollars earn interest that makes it possible for you and your family to enjoy the benefits of life insurance at such low cost. If you have any questions about how to make life insurance fit your own special needs, give me a call. I'll be glad to help you!"

Canada Savings Bonds come in sizes to suit everyone—\$50, \$100, \$500, \$1000 and \$5000. You can also buy the \$500, \$1000 and \$5000 sizes in fully registered form and your interest will be paid by cheque.

...these and other features make Canada Savings Bonds a prime investment!

The Ninth Series of Canada Savings Bonds will go on sale October 18th. The bonds will be dated November 1st, 1954 and will mature 12 years later on November 1st, 1966. They will pay a full 3 1/2% interest per year to maturity and will carry 12 annual interest coupons. They will be offered for sale at 100% up to November 15, 1954 in denominations of \$50, \$100, \$500, \$1000 and \$5000.

They must be registered in an individual's name—either adult or minor. This registration gives protection against the bonds being lost, stolen or destroyed.

In addition to coupon-type registered bonds, Canada Savings Bonds are again being made available in fully registered form in denominations of \$500, \$1000 and \$5000. Coupon and fully registered bonds will be interchangeable at any time.

Any one person is limited to \$5000 of this issue but every member of your family is entitled to hold this amount in his or her own name. PRECIOUS PEBBLE

BACK IN 1825 the Danish scientist Oersted produced the first pebble of metallic aluminum. Half a century passed before a technique was discovered for turning out the metal in quantity.

Modern processing of bauxite ore to make low-cost aluminum uses fantastic quantities of power. That is why Canada is one of the world's major aluminum suppliers. In Quebec province, smelters at Arvida, Shawinigan Falls, Isle Maligne and Beauharnois last year used nearly one-fifth of the country's total electrical output. And in British Columbia new sources of water power are feeding the pot lines of the new smelter at Kitimat. Aluminum Company of Canada, Ltd. (Alcan).

Alberta Farmer Becomes 100,000th A.M.A. Member

Mr. W. A. SNAITH

The Alberta Motor Association recently reached its goal of 100,000 members with the signing up of Mr. Walter A. Snaith, Vauxhall district farmer by Lethbridge branch salesman Ken Munro.

Since 1944, the Alberta Motor Association's membership has increased by 70,000, and is now Canada's largest and the 8th in size on the continent.

Mr. Snaith, the Association's 100,000th member, is a prominent Southern Alberta farmer presently operating a section in the Vauxhall district, where he settled in 1920. A member of the Alberta Farmer's Union and farm co-operatives, Mr. Snaith has always taken an active interest in community affairs.

"As a farmer, I'm pleased to become a member of the A.M.A.," Mr. Snaith says. "I believe the Association is rendering a real service to farming people."

Undeniably, the number and variety of services offered to members, plus the fact that the Alberta Motor Association is a non-profit organization, has gained for it this widespread appreciation and support. The A.M.A.'s steadily increasing membership proves it!
